DESCRIPTION/OPTIONS: This is a consignment sale. It runs, drives and stops. 4x4 works and it drives as it should. It needs TLC, a perch, drag link and cleaning. 7.3l international diesel engine runs strong, transmission shifts good, it has been well maintained, oil changed regularly and has not seen a New England winter in over 6 years nor has it been plowed with. A great starting point for a sick rig, full 4 door long bed. call for more info
